Miss Margaret J. McNary was the first speaker of the afternoon and gave a very interesting talk, informal and humorous, on the Tercentenary anniversary of the landing of the Pilgrims.

Miss Edna Ward was a "Y" girl in France and wore the uniform of the service, which lent a heightened interest to her account of experiences abroad during the late war.

Miss Moe sang most delightfully. It is a pleasure to welcome those of musical ability into our fold for Maui is a music-loving community.

Dr. A. W. Palmer concluded the program of the afternoon. He spoke on suffrage and the tercentenary. He recalled the fact that he had been the first speaker to address the Club after its organization. Dr. Palmer is always a welcome addition to any program and the Club members were glad to have him with them again.

As soon as this matter was brought to the attention of the club the response was instantaneous, the imperative need of such an officer being most apparent. The club went on record as desiring to use its influence against fast and heedless driving, failure to dim lights etc. The many near-accidents, as well as two fatal accidents during the fair brought this matter into prominence.
